The Honorable Jamie L. Whitten
 House of Representatives
 Washington 25, D. C.

Dear Mr. Whitten:

In view of your interest in Mr. [Redacted Box] I am writing to advise you of the status of his application.

We are attempting to build up a corps of employees who wish to make a career of their employment with this Agency. In keeping with this effort, positions above the junior officer level are ordinarily filled by promotion from within the Agency. We do have occasional requirements in the middle and senior grades and for specialists which are filled by external recruitment. We are glad to consider candidates in these categories; however, these openings usually call for some special or unique qualification or combination of qualifications.

We have carefully considered Mr. [Redacted Box] application against requirements in which his Russian language skill and other experience would be useful. However, we do not have an immediate vacancy which would accommodate his employment. A copy of our letter advising him to this effect is enclosed.

We appreciate your referring [Redacted Box] to us.

Sincerely,

SIGNED
